

## SECTION I: EFFICACY OF PARAQUAT IN SEVERAL AGRICULTURAL CROPS

### Chapter 1

7

Efficacy of Paraquat and Other Herbicides in Oil Palm Plantation

*Chee Yau Kuan, Chung Gait Fee and Dzolkhifli Omar*

### Chapter 2

55

Efficacy of Paraquat and Other Herbicides in Cocoa Cultivation

*Lamin, K; Lee, C H; Osman, Y; Rozita, O; Navies, M; Rahmat, M; Albert, L; Alias, A; Meriam, M Y; Saripah, B; Denamany, G and Nik Aziz, N M*

### Chapter 3

75

Effectiveness of Paraquat in Comparison with Glufosinate in Mango Orchard

*Dzolkhifli Omar*

## SECTION II: TOXICOLOGICAL EFFECTS OF PARAQUAT

### Chapter 4

83

Toxicological Studies of Paraquat

*Lamin, K; Lee, C H; Osman, Y; Rozita, O; Navies, M; Rahmat, M; Albert, L; Alias, A; Meriam, M Y; Saripah, B; Denamany, G and Nik Aziz, N M*

### Chapter 5

91

Social Life Condition of Herbicide Sprayers in Malaysia

*Ahmad Hariza Hashim, Asnarulkhadi Abu Samah, Ma'rof Redzuan and Shamsul Azahari Zainal Badari*

### Chapter 6

130

Evaluation of Plasma and Urine Levels of Paraquat in Exposed Individuals

*Teh Eng Huat and Aishah Latiff*

### Chapter 7

163

Influence of Hydraulic Nozzle on Spray Contamination on Spray Operators in Oil Palm Plantations

*Dzolkhifli Omar*

## SECTION III: ENVIRONMENTAL IMPACT OF PARAQUAT

### Chapter 8

171

Preamble to Environmental Impact Issues

*Amir Hamzah Ahmad Ghazali*

<b>Chapter 9</b>	199
Persistence of Paraquat Residues in Soil	
<i>Amir Hamzah Ahmad Ghazali</i>	

<b>Chapter 10</b>	211
Isolation and Characterization of Soil Microflora with Paraquat Potential Degrading Abilities	
<i>Amir Hamzah Ahmad Ghazali</i>	

<b>Chapter 11</b>	224
Persistency and Mobility of Paraquat in the Malaysian Oil Palm Agrosystem	
<i>Khairatul Azmah Mohamed and Ngan Chai Keong</i>	

## SECTION IV: THE ECONOMICS OF USING PARAQUAT

<b>Chapter 12</b>	241
The Economics of Substituting Paraquat with Other Herbicides in Major Agricultural Activities in Malaysia: The Oil Palm Sector	
<i>Faizah Mohd Shariff and Ayat K. Ab. Rahman</i>	

<b>Chapter 13</b>	255
A Study of the Economics of Substituting Paraquat with Other Chemical Weed Killers in Major Agricultural Activities in Malaysia: The Cocoa Sector	
<i>Mohd Nasir Amiruddin, Mohd Noor Ahmad, Say Ken Lee, Shahafiz Mohd Nasir and Esah Ahmad</i>	

<b>Chapter 14</b>	263
A Study of the Economics of Substituting Paraquat with Other Chemical Weed Killers in Major Agricultural Activities in Malaysia: The Rubber Sector	
<i>Mohd Nasir Amiruddin, Mohd Noor Ahmad, Say Ken Lee, Shahafiz Mohd Noor and Esah Ahmad</i>	

<b>Chapter 15</b>	271
A Study of the Economics of Substituting Paraquat with Other Chemical Weed Killers in Major Agricultural Activities in Malaysia: The Tobacco Sector	
<i>Mohd Nasir Amiruddin, Mohd Noor Ahmad, Say Ken Lee, Shahafiz Mohd Noor and Esah Ahmad</i>	

<b>Chapter 16</b>	277
A Study of the Economics of Substituting Paraquat with Other Chemical Weed Killers in Major Agricultural Activities in Malaysia: The Pepper Sector	
<i>Mohd Nasir Amiruddin, Mohd Noor Ahmad, Say Ken Lee, Shahafiz Mohd Nasir and Esah Ahmad</i>	

<b>Chapter 17</b>	289
A Study of the Economics of Substituting Paraquat with Other Chemical Weed Killers in Major Agricultural Activities in Malaysia: The Other Crops	
<i>Mohd Nasir Amiruddin, Mohd Noor Ahmad, Say Ken Lee, Shahafiz Mohd Nasir and Esah Ahmad</i>	

## SECTION V: FUTURE DEVELOPMENT OF PARAQUAT

<b>Chapter 18</b>	311
Summary and Future Challenges of Paraquat	
<i>A Kushairi and Ramle Moslim</i>
